## WHITE & PRIVATE LABEL ITALIAN KNITWEAR

MAGLIFICIO ITES S.p.A. is an Italian B2B knitwear supplier, established in 1967 in Tuscany.

Inside our headquarters we have the departments of Product Design & Development, Sampling, Sales, Buying, Accounting, Quality Control, Logistics, and the yarn stocks.

The knitting is in subcontract with manufacturers which have an exclusive partnership with us, all located in the proximity of our headquarters. This gives us complete control over the entire production process, from raw material purchase to delivery.
